Personal Data We Collect

Add-in Name collects data to operate effectively and provide you the best experiences with our services. You provide some of this data directly, such as when you create a Add-in Name account or contact us for support. We get some of it by recording how you interact with our services by, for example, using technologies like cookies, and receiving error reports or usage data from software running on your device. We also obtain data from third parties (including other companies).
